## WHAT IS GAP COVERAGE ?

Imagine you have an accident only a year after purchasing your vehicle. The vehicle's book value is \$15,000, but you still owe \$20,000 on your auto loan, and the insurance company will only pay you \$14,500 after your deductible. You're left with a \$5,500 gap that you have to pay.

With GAP Coverage from Total Care Auto Powered by Landcar, we can cover that difference.\* And, in certain situations, we may cover your insurance deductible as well.

Protect your investment and yourself against the financial burden of paying for the difference in a vehicle's value with GAP Coverage—one of the many ways Total Care Auto Powered by Landcar gives you peace of mind for the road ahead.
