

SERVICE CONTRACT Coverage Comparison

SERVICE PLANS

When it comes to purchasing a new or pre-owned vehicle, one of the top concerns is whether or not it will be a mechanical headache in the future.

Total Care Auto Powered by Landcar delivers some of the most thorough coverage available in the market by protecting an extensive list of vehicle parts and systems, as well as other repairs not typically covered by standard extended vehicle warranties.

Regardless of the protection plan you choose, Total Care Auto Powered by Landcar covers a wide-range of items, letting you pick a plan that fits your needs and safeguards your vehicle should a breakdown occur.

After all, you never know what might happen or go wrong with a vehicle—and peace of mind is priceless.

ENGINE

Covers internal and external engine components, lubrication and cooling systems, and fuel injection per plan options.

DRIVE AXLE

Covers internal and external components for front-wheel, rear-wheel, and four-wheel drive vehicles per plan options.

TRANSMISSION

Covers automatic and manual transmission components, including transfer case, and torque converter per plan options.

STEERING

Covers power steering components including gear, pump, and linkage, depending on plan level per plan options.

SUSPENSION

Covers components, including bushings, bearings, joints, and links per plan options.

BRAKES

Covers major components, including master cylinder, calipers, steel lines, and ABS system components, depending on plan level.

ELECTRICAL

Covers items such as starter, alternator, control modules, sensors, and depending on plan, switches, relays, and other interior components are covered.

BODY & INTERIOR

Depending on plan, switches, relays, and other interior components are covered.

AIR CONDITIONER/HEATER

Covers internal and external parts, including compressor, clutch pulley, seals, and valves per plan options.

AUDIO/VIDEO/NAVIGATION

Depending on plan, components covered include amps, cameras, and various other components.

The following chart itemizes the components covered for plan levels: Comprehensive, Standard, Drivetrain, HME–Powertrain Plus, and HME–High Mileage & Drivetrain. See your contract for terms and conditions.

This brochure is for general information and marketing purposes only and is not a contract. The coverage described may not mirror the actual coverage purchased at the time of sale. Specific coverage varies depending upon, among other things, the service contract purchased, optional coverage selections, and the state of purchase. Please read the actual contract documents for important details or coverage, limits, conditions, and terms. If there is any conflict between the information in this brochure and the contract documents, the contract documents will govern. Total Care Auto Powered by Landcar is licensed as Landcar Agency. Inc. in certain states.

This brochure is for general information and marketing purposes only and is not a contract. The coverage described may not mirror the actual coverage purchased at the time of sale. Specific coverage varies depending upon, among other things, the service contract purchased, optional coverage selections and the state of purchase. Please read the actual contract documents for important details on coverage, limits, conditions and terms. If there is any conflict between the information in this brochure and the contract documents, the contract documents will control.
